Start Time	Thursday 12:00 am with a lunch
End Time	Friday at 15:00 pm
Location	Van der Valk Hotel A4 Schiphol

HIGHLIGHTS

THURSDAY AFTERNOON PROGRAM

Lunch and DACT Members' Meeting

Join us for a satisfying lunch followed by the DACT members' meeting, where we'll discuss future plans, approve annual accounts as part of the AGM, and wrap up with a lively DACT Quiz. Be part of choosing a slogan that best describes the treasurer.

Witness the disclosure of the DACT slogan!

We invite all members to contribute by creating and submitting a slogan! Your creativity can help communicate the essence of our community. The slogan will be used in DACT communication going forward! Please share your slogan ideas that describe the treasurer and the treasury profession with us by sending them to management@dact.nl before January 15, 2024. If your slogan is selected, you will win the prestigious DACT Slogan Trophy.

After the members' meeting, dive into a variety of parallel sessions.

Over the course of two days we will have:

- 7 enlightening lectures
- 9 engaging business cases
- 9 informative product demos

HIGHLIGHTS

FRIDAY PROGRAM

Master Class by Martina Kirchberger: Kick off Friday with a master class by Martina Kirchberger, who will share insights on how supply chain disruptions and high interest rates cause distortions in the construction industry and how these in turn cause knock-on effects for the wider economy. Martina Kirchberger is Assistant Professor at Trinity College Dublin.

Closing Keynote by André Kuipers: Conclude the anniversary edition with André Kuipers, sharing his experiences from space and delivering a lecture on sustainability. André Kuipers is the first Dutchman with two space missions to his name. His second mission was the longest spaceflight in European history.

ADDITIONAL INFORMATION

The final program booklet will be ready in January and will be sent out by email. To secure your place, register now via this registration link [HERE](#)
